

Welcome

George Kerscher
President, IDPF

May 25, 2010

- Welcome from the President
 - EPUB has enjoyed tremendous uptake
 - Exponential growth will put digital publishing at a par with print in five years
 - The IDPF will do everything in our power to continue that exponential growth
 - Revision of the EPUB standard starts now!

- Welcome from the President
 - We will add functionality not possible in print
 - Internationalization is essential including China, Japan, Korea, and Taiwan's requirements
 - Your participation in IDPF working groups is essential
 - Together we will reach heights end users and the publishing industry has never before
