1. 1GB = 1 billion bytes. Actual formatted capacity may be less. 2. Actual size and weight vary by configuration and manufacturing process. 3. With wireless off and power save mode on. Battery life depends on device settings, usage and many other factors. Battery tests conducted using specific units with Wi-Fi off. Actual results may vary. 4. Based on 30 minutes of reading per day and 1 page refresh per minute, a single charge lasts up to 8 weeks with GlowLight on at default brightness or off and wireless off. Battery life tests conducted using specific units; actual results may vary based on device settings, usage, and many other factors. 5. A single charge lasts for over two months with wireless off based upon a half hour of daily reading time. Actual results may vary. 6. microSD™ or microSDHC™ memory cards sold separately. microSD and microSDHC are trademarks of SD-3C, LLC. 7. Devices other than NOOK HD+, NOOK HD, NOOK GlowLight, NOOK Simple Touch, and NOOK Simple Touch GlowLight require download of free NOOK software. 8. Read NOOK Books® FREE on your NOOK for up to one hour per day in B&N Stores.
